When Life's Hard: Keep Moving Forward, One Step at a Time 2. Realize it's a process, and the process takes time. Nothing will happen right away. It will take time, and you will travel from one emotion to another and then back again. And it takes as long as it takes. These things cannot be rushed. Also, we have to remember to take it easy on ourselves throughout the process. Making Changes One Step at a Time *Making the changes needed to start exercising can be overwhelming for everyone, but if taken it step by step it can be achieved. Starting to exercise is a process that begins with thinking about being active. Regardless of where you are in your thinking, you can always begin with goal setting to help get you moving towards being active.* **Making The Move : One Step at a Time: Shelli K ...** *Making The Move : One Step at a Time [Shelli K.
