

## International Communication And Globalization A Critical Introduction

Wed, 10 Oct 2018 08:12:00 GMT - **International Communication And Globalization A Critical Introduction**

International Journal of Communication Globalization or globalisation is the process of interaction and integration between people, companies, and governments worldwide. Globalization has grown due to advances in transportation and communication technology. With increased global interactions comes the growth of international trade, ideas, and culture. Globalization is primarily an economic process of interaction and integration that ...
