After more than a century of murder and the torture of innocents, Angel's restored soul torments him with guilt and remorse. Superpower - Wikipedia *Superpower is a term used to describe a state with a dominant position, which is characterised by its extensive ability to exert influence or project power on a global scale. This is done through the combined-means of economic, military, technological and cultural strength, as well as diplomatic and soft power influence. Traditionally, superpowers are preeminent among the great powers. They Knew They Were Right - Kevin B.
