ARRL | Regulatory & Advocacy | Local, State, Federal

Self-advocacy refers to the civil rights movement for people with developmental disabilities, also called cognitive or intellectual disabilities, and other disabilities. It is also an important term in the disability rights movement, referring to people with disabilities taking control of their own lives, including being in charge of their own care in the medical system.

Self-advocacy - Wikipedia

Steering the nation towards a healthier future. For over a decade, Safer States has united state advocacy groups to pass common-sense policies that keep harmful chemicals out of our food, water, and air.
