It doesn't have the disjointed feeling of [NEO in the 25th Century], and feels less rough around the edges than that scenario. That, and the scenario at least had a title that gave an inkling into what it was all about. As an aside - the cover art for this scenario was also used for the Buck Rogers computer game "Matrix Cubed".

The Neo-Assyrian Empire was an Iron Age Mesopotamian empire, in existence between 911 and 609 BC, and became the largest empire of the world up till that time. The Assyrians perfected early techniques of imperial rule, many of which became standard in later empires, and was, according to many historians, the first real empire in history.
