Post-1949 history. An emphasis on public health and preventive treatment characterized health policy from the beginning of the 1950s. At that time the party began to mobilize the population to engage in mass "patriotic health campaigns" aimed at improving the low level of environmental sanitation and hygiene and attacking certain diseases. One of the best examples of this approach was the mass ...

The history of tea is long and complex, spreading across multiple cultures over the span of thousands of years. Tea likely originated in the Yunnan region during the Shang dynasty as a medicinal drink. An early credible record of tea drinking dates to the 3rd century AD, in a medical text written by Hua Tuo. Tea was first introduced to Portuguese priests and merchants in Lebanon during the 16th ...
