

engineering ethics concepts viewpoints pdf

Sexual ethics or sex ethics (also called sexual morality) is the study of ethics in relation to human sexuality and sexual behavior. Sexual ethics seeks to understand and evaluate the moral conduct of interpersonal relationships and sexual activities from social, cultural, and philosophical perspectives. Sexual ethics involve issues such as gender identification, sexual orientation, consent ...

Justice, in its broadest context, includes both the attainment of that which is just and the philosophical discussion of that which is just. The concept of justice is based on numerous fields, and many differing viewpoints and perspectives including the concepts of moral correctness based on ethics, rationality, law, religion, equity and fairness. . Often, the general discussion of justice is ...
