

### **maturity the responsibility of pdf**

In psychology, maturity is the ability to respond to the environment in an appropriate manner. Maturity also encompasses being aware of the correct time and location to behave and knowing when to act, according to the circumstances and the culture of the society one lives in. Adult development and maturity theories include the purpose in life concept, in which maturity emphasizes a clear ...

Do you know what are the rules on PPF maturity if you want to withdraw your money ? Do you know that you can extend your PPF account a block of 5 yrs after it's initial maturity of 15 yrs? A lot of people think that once the PPF maturity is over, they get a licence to withdraw the money at any point of time in what ever way they want, in the case of extension of PPF.

Biologically, an adult is a human or other organism that has reached sexual maturity. In human context, the term adult additionally has meanings associated with social and legal concepts. In contrast to a "minor", a legal adult is a person who has attained the age of majority and is therefore regarded as independent, self-sufficient, and responsible. The typical age of attaining legal adulthood ...
