In project management a project consists of a temporary endeavor undertaken to create a unique product, service or result. Another definition is: a management environment that is created for the purpose of delivering one or more business products according to a specified business case. Projects can also be seen as temporary organization. Project objectives define target status at the end of ...

Project Documents. The U District Urban Design Framework discusses neighborhood concerns and goals in detail and lays out many of the ideas that would be implemented by the proposed rezone. Zoning is one of several policy changes aimed at shaping new growth in the U District. We completed streetscape concept plans for Brooklyn Ave NE, NE 43rd St, and NE 42nd St in the spring of 2015.

A business proposal is a written offer from a seller to a prospective buyer. Business proposals are often a key step in the complex sales process"i.e., whenever a buyer considers more than price in a purchase.. A proposal puts the buyer's requirements in a context that favors the seller's products and services, and educates the buyer about the capabilities of the seller in satisfying their ...
