An unaccompanied minor (sometimes "unaccompanied child" or "separated child") is a child without the presence of a legal guardian.. The UN Committee on the Rights of the Child defines unaccompanied minors and unaccompanied children as those "who have been separated from both parents and other relatives and are not being cared for by an adult who, by law or custom, is responsible for doing so."

Unaccompanied minor - Wikipedia

6. How could water resources be developed sustainably? 6.1 What are the obstacles to sustainable water management? 6.2 How could water be used more efficiently and sustainably?; 6.1 What are the obstacles to sustainable water management?

6. How could water resources be developed sustainably?

This graphic above provides a mnemonic device (memory trick) for remembering the order of operations. Parentheses come first, followed by exponents, then multiplication, division, addition, and finally subtraction. The memory trick is "Please Excuse My Dear Aunt Sally" with the first letters of those words matching the first letter of each operation.
