Talking with babies and toddlers is a brain building activity! Every time you talk to a baby and have a high-quality back-and-forth interaction, new connections in that baby's brain are made. The more you engage with babies and toddlers in this way, the more they learn to understand and use new words and concepts.

## **Talk, Read and Sing Together Every Day!**

Once your baby has turned 1 year old, plain tap water is the best drink for toddlers.

## **Healthy Food for babies and toddlers**

"Baby" yoghurts and custards are a good choice as they are often lower in added sugar. You can also use a full fat, low sugar regular yoghurt. Small amounts of cow's milk containing foods can be included in your baby's diet, however, cow's milk should not be used as the main drink for your baby until around 12 months of age.

Talking Toddlers: Language Development Through Reading by Audrey Prince, M.Ed. Studies show that children exposed to language early in life have social and educational advantages over their peers. Reading is one of the best ways to expose your child to language. Reading to your child will lay the foundation for later independent reading.
