The Quran, the central religious text of Islam, contains references to more than fifty people and events also found in the Bible. While the stories told in each book are generally comparable, important differences sometimes emerge. The versions written in the Hebrew Bible and the Christian New Testament predate the Quran's versions archaeologically. As such, non-Muslims regard the Quran's ...

Witchcraft or witchery broadly means the practice of and belief in magical skills and abilities exercised by solitary practitioners and groups. Witchcraft is a broad term that varies culturally and societally, and thus can be difficult to define with precision, and cross-cultural assumptions about the meaning or significance of the term should be applied with caution.
