The Ideology of ISIS To start with, then, a simple point that must be made is that ISIS is an apocalyptic, millennialist cult. There have been several well-intentioned efforts to consider ISIS in purely secular terms, with its ideology then becoming a mere overlay on the organization's essentially political nature.

The Nation State: An Essay Summary Summary A state is a territorial political community for which there is an independent organised Government. A nation state is a state whose primary loyalty is to a cultural self-identity, which we call a nation or nationality, and is now the predominant form of state organisation.
